I was on a Saturday
when Mr. Simon said "that
I had got a call from the
Local Commissioner, saying
all the troops were to go
at Home Johnson's
night."

When I came home and

I could go.

we had to go away
to see them. But on our
way back we saw Mr. Simon
said "that the meeting we were
going to have a famboree

we could have one in
Gleendale."

Then we got to the mo-
Tia. Liner said "that we was
going to Howard Johnson's" so
we got in our car and drove
over there, and the next
morning we were awake at
7:00 A.M. Mr. Liner told us
we had to lie push ups, after
that we had finished with the
push ups he told us that
we had to ejaculate before
he could have sex, so he
said if we hadn't started
time he could to five then
he was going to do it for us.
